

What is the NAMI Peer-to-Peer Education Program?

NAMI Peer-to-Peer is a free, 10-session course for adults living with mental health challenges. NAMI Peer-to-Peer provides an educational setting focused on recovery that offers respect, understanding, encouragement and hope. The NAMI Peer-to-Peer education program is:

- Free and confidential
- Held once a week for two hours
- Taught by trained Peer Mentors living in recovery themselves
- A great resource for information on mental health and recovery

NAMI Contra Costa, the local organization of the National Alliance on Mental Illness, will offer its NAMI Peer-to-Peer Education Program for Winter/Spring 2017 beginning February 7th. It will be held on Tuesday afternoons at Recovery Innovations International in Antioch.
